#### **Kent School Services Network Welcomes Sunil Joy to Its Board of Directors**

Grand Rapids, MI — Kent School Services Network (KSSN) is pleased to announce the appointment of Sunil Joy to its Board of Directors. Sunil currently serves as Executive Director of Strategy and Innovation for Kentwood Public Schools, bringing deep expertise in strategic planning, data-informed decision-making, and systems-level school improvement.

Sunil's leadership is grounded in aligning strategy with the real needs of schools, students, and communities. Through his work in Kentwood Public Schools, he has seen firsthand the value of strong school-community partnerships and the measurable impact of KSSN's Community School Coordinators in advancing student success and well-being.

"Sunil brings a strategic and data-driven lens that will help strengthen KSSN's mission and long-term sustainability," said KSSN leadership. "His understanding of how schools operate and what they need to thrive makes him a valuable addition to our Board."

As a trusted district partner, Sunil understands the effectiveness of the community school strategy and the role KSSN Coordinators play in creating integrated systems of support, fostering belonging, and improving outcomes for students and families.

Sunil Joy will officially begin his board service at KSSN's February 2026 Board of Directors meeting.

KSSN is honored to welcome Sunil Joy and looks forward to his leadership as the organization continues to strengthen schools and communities across Kent County.

#### **About Kent School Services Network**

Kent School Services Network partners with school districts across Kent County to implement the community school strategy, connecting students and families to the supports and opportunities they need to thrive.
